

Walking Tours of Historic Boston

Summary of School Programs

Children's book author and tour guide Ben L. Edwards offers unique programs for schools including both tours/field trips and classroom presentations. His extensive knowledge of Boston's history, enthusiasm and sense of humor make his programs highly educational and fun!

Ben's ancestors arrived in Boston over 300 years ago. His book, *One April in Boston*, tells of his family's connection to the Sons of Liberty and Paul Revere and provides children with valuable lessons in goal setting and patriotism.

During his tours and classroom presentations, Ben introduces students to colonial Boston with the aid of photos, engravings, maps, and original period newspapers. He also reveals fascinating, little-known stories about early Boston life passed down in his family for over 200 years.
